FROSTING CHOICES

Buttercream OR Non-Dairy Whipped Topping

(Non-Dairy Whipped Topping is highly recommended in the summer months as it holds up better in the heat and humidity.)

FLOWER CHOICES

Frosting Flowers - A swatch of material or ribbon is needed so that we can match your color.
Fresh Flowers - We will do our best to match the flowers on the cake to your wedding flowers.
We need to know specific types and colors that your florist is using.

PARTS DEPOSIT

We require a security deposit on the wedding cake parts used for the cake. The parts deposit is refunded in FULL when the parts are returned in clean and good condition.

All parts are due back 4 days after the wedding.

CAKE PICK-UP INSTRUCTIONS

1. All cakes must be transported in a vehicle that has a flat surface to set cake boxes on, a mini-van or SUV is practical.

Never place a cake on the seat of a car, as it has enough of a slant that it could cause the cake to shift. Never place a cake in the trunk of a car, as it is too warm.

2. Air Conditioning in the vehicle is a must when it is above 70 degrees. Cakes should not remain in your vehicle without air-conditioning for any length of time. They should be taken out of your vehicle and set up at the reception as soon as possible.

If driving time from our store to your reception is further than 45 min., we do not recommend ordering your cake from our store.

3. All **2 tiered** cakes will be put into a wedding cake delivery carton that is
20" X 20" X 18" or 14" X 14" X 16"

All cakes made with Pillars, Floating Stand, Garden Stand or Crystal Splendor Floating Stands are boxed individually in a box that is one size larger than the cake.

4. You will be given a box or bag of parts if applicable and instructions on how to assemble the cake at the reception.

5. We can not be responsible for any problems with the cake if you do not follow these instructions after you have received your cake.

We will do everything possible to make the delivery and set-up as easy as possible for you. Please call us if you have any questions or concerns. (262) 502-1219.

Thank you for ordering your cake from CAKE & BAKE.
